LOCAL NEWS

A telegram was received here by C.M. Bowen stating that his brother had been shot and killed at his home in Powell county. No particulars were given. Mr. Bowen left at once to attend the obsequies.

Of the twenty-three graded school students who entered the county examination for diplomas preparatory for entering the county high school nineteen passed successfully with high grades. Those failing were students who had not long been in attendance at the graded school or who had not been regular in attendance. Prof. Harris and his corps of teachers are highly pleased with the great showing their students made since the examination was no plaything, the questions being as difficult as those generally sent out for the county teachers' examinations.

Steve Combs, Circuit Clerk, at a hospital at Lexington undergoing medical treatment is not thought to be improving very much.

The town was almost depopulated Sunday. Everybody went motoring toward McRoberts and Fleming.

Engineer Zimmerman and Eric Rierson are at Beattyville this week on professional business.

At the exercises given at the auditorium Monday night it was amusing to witness the cutness of the acts of the wee ones. And it is wonderful the improvements our younger class of boys and girls have made in the last year or so. Good behavior and obedience especially in public is observed on every hand. With the aid of parents and such teachers as we have here wonders are accomplished and impressions made that will last thro life and be of lasting benefits.

The attention of our readers is called to the statements of the three Letcher County National Banks published in this weeks Eagle. An examination and study of the figures of each of the banks will show a very thriving as well as prosperous condition. Banks are the best indicators of the County's business financial standing and should be carefully studied.

Will Adams, of Cowan, and Mrs Robt. Blair, of our city, were among the first to observe Pay Up Week on the Eagle. Did you discharge your little obli-

tion by paying, too? Really, now, sometimes we get blue because so many of our friends neglect us along this line.

Elijah Stallard, a farmer and well known, confined in the Jackson Jail on a charge of violating the prohibition laws was returned to his home on Colly last Sunday a very dangerously sick man and died on Monday following. He was about forty-five and leaves a widow and several children.

In older days the beautiful young things sat around and aspired to soar, but now they are content to merely "flap"

Mrs. Dora Hall Jones, of Norton, Va., is visiting relatives and old friends here. Mrs. Jones is a daughter of former jailer Henry Hall and for years resided here. Her husband died some time ago.

Jesse Swango, who shot and killed Wayne Bowen at Stanton, was captured and taken to Winchester and lodged in jail for safe keeping.

The last year has witnessed phenomenal improvements in Whitesburg in various ways. There is a very general and genial understanding among our citizens, a spirit of progress is seen on every hand and civic pride is more common. Whitesburg has undergone surprising improvements in buildings both for business and for homes and the half has not been told. The next year or so will see the population nearly doubled and the building spirit will multiply many times. Whitesburg is today the ideal residence town in all the mountains and will continue to become more and more so. Never, perhaps, will the county seat be more or much more of a mining town than it is now—just near enough as it is to draw vitally from the mining industry and far enough away to keep it free from the taints that are not pleasant in such surroundings—but an ideal residential, church and school metropolis. Persons seeking such an ideal location in which to live and be surrounded with the conditions that make life quiet and pleasant will do well to keep an eye on Whitesburg.

Commencement Week Here

Graded and High School Exercises Are Being Highly Enjoyed.

Commencement week dawned early Monday morning with May breezes flaunting over the landscape and birds singing in the leafy green. White clouds, light-hearted and flecked in sunshine, frolicked over blue fields now and then throwing threatening shadows over the enticing grounds. The Principal of the school and his excellent help-mate, Mrs. Harris, with all the teachers were full of activity, each striving to make this week the happy culmination of a term of school the greatest in all its history. And every student was running over with joy and happy to do all in his power to make the week one long to be remembered.

On Monday night Miss Pratt and her primary pupils first came forward and brought down the house in the beautiful play, "A Visit to Mother Goose Land" which was greatly enjoyed by the large audience present. Then Miss Raleigh came forward with another bunch of gay little fellows in "The King of the Elves" which play delighted everybody.

On Tuesday another treat of the highest kind was given under the direction of Miss Elliott, followed by recitations, speeches and little plays directed by teach-

er S. J. Hale. Perfect trim and ideal training was shown in each of these exercises, the big audience cheering the performers lustily.

On Wednesday evening a physical culture drill by boys, pantomime and delightful scenic plays by pretty girls, dialogues by boys and girls under the direction of teacher Homer Craft, who showed himself a spry hand when training is the game.

On tonight the Seniors will put on a delightful play, "The Masonic Ring," which will be followed by the presentation of diplomas by Prof. Harris. Mr. Harris is one of the most fascinating speakers it has been our pleasure to hear and every citizen of the town and county would do well to hear him.

On tomorrow night the culmination of the whole affair will take place. This will be the High School graduation exercises. The graduates are Misses Edna Fugate, Reba Fisher, Dalna Hays, Ethel Burton, Esteva Webb, Gertrude Lewis, Messrs. Jno. Raleigh, J. B. Comodari, Oscar Lewis. These are among Whitesburg's brightest young folks and it is believed the entertainment to be offered by them will be par excellent.

Bad Fire at Jackson

Saturday night, from some cause or other, the Jackson Lumber & Supply Co., at Jackson, caught fire and was totally destroyed. The loss is said to be over \$100,000, but insurance was carried to practically cover this. Nearby residences caught from the conflagration and were burned, besides much damage was done to other property. A few days before the fire the Hazard Lumber & Supply Co. had about decided to buy the plant and had invoiced part of the stock.

Service Officer

At a meeting of the Disabled Service Men's Board held here Tuesday night Attorney Emery L. Frazier of our town was selected as service man for Letcher county. Mr. Frazier desires to say that any ex-service men who have filed claims and had no action or who want to file claims, in short anyone having anything to present for the benefit of himself to the government they will do well to come and see him. Further he says that he will be glad to file applications for those desiring to attend the Citizens' Military Training Camp to be held at Camp Knox in August. Mr. Frazier says there is no charge to any ex-soldier who calls on him for help. He is an ex-service man and interested only in helping them in every way he can.

Marriage Permits

Since May 1 and since birds began to sing and flowers bloom the following have buried their love-longings in married blessedness or gone on their way rejoicing for better or for worse, as it were:

Sam Back, 21, miner, to Lizzie Frazier 15.
Luther Dunn 21, to Martha E. Hogg 17.
James Smallwood 38, to Rachel Sizemore 36.

And there are room for others.

Pearl Dixon, of Blackey, one of the best teacher-farmers in the county, was up and got caught on the Eagle's wings.

The very latest word from Steve Combs at Lexington indicates that he is about as when he left here. His friends think this is favorable as to his recovery.

Breeding Cleared

Pikeville Ky. May 15.—In a very exciting trial closed here Geo. W. Breeding, of Letcher County, charged with incest was cleared by the trial jury. Breeding was represented by Hon. Frank Stowers of our town and former Commonwealths Attorney R. Monroe Fields of Whitesburg. Mr. Stowers opened the speaking for the defense in one of the ablest, if not the ablest speeches ever heard in the court room here and was followed later by Mr. Fields who in his able way matched swords with Mr. Stowers in defense of Mr. Breeding. The Commonwealth was likewise ably represented by Mr. Stowers in a strong argument. The jury was out only fifteen minutes when it returned with a verdict of not guilty.

There is just a little too much rain right now to suit the industrious farmer and just enough to fit the lazy one.

People in the town and county do not send in or give us the news as they should. They expect everything to be printed, yet they depend on us to guess at it.

Perry-Letcher Teachers' Club

Richmond, Kv., May 16
The Perry-Letcher Teachers' Club of Eastern Kentucky State Normal School is broadening out. The Club was reorganized and the following officers elected:
R. D. Collins Pres.
Elmer Sizemore Vice Pres.
Ethel Boggs Sec'y-Treas.
Davis Fields Cor. Sec'y.
W. C. Baker, James Perry and Edison Crawford, Consuls

Our Club has been re-enforced by several teachers not with us last term. At a meeting on May 8 an excellent program was rendered. Bradley Combs made a fine speech on "The Educational Problems Facing the Schools of Letcher County." He says that the fundamental needs of our schools are trained teachers, co-operation between teachers, effective supervision and consolidation of schools. Kerney Adams delivered a stirring talk on "The Possibilities of Our Club." Herschel Johnson told an original humorous story that was immensely enjoyed. In addition we had several fine discussions of the schools of our county, and the hope was expressed that the day might soon come when we will have something to boast of besides our glorious mountains and boundless wealth and pure Anglo-Saxon blood; namely, the best schools in Kentucky.

The conference of county and city school superintendents will be held here May 24-26 and we are planning a reception for Supts. Clark and Napier.

Two of Letcher's bright boys, Kerney Adams and Bradley Combs, will graduate this year with highest honors. They will go back home and join in the good work of improving our schools. The Club will miss them, the school will miss them, but the best wishes of all go with them.

Davis Fields, Cor. Sec'y.

Superbly Entertained

One of the most interesting social events of the commencement season was the dinner given by Misses Irene Elliott, Vera Raleigh and Leila Willis Pogue at the Daniel Boone Hotel on Wednesday evening in honor of the graduating class. The table was decorated with white roses the class flower and dainty place cards designed the guests to their places. Covers were laid for thirteen, the nine graduates, Miss Lou Elliott who is the guest of her sister, Miss Irene Elliott and Misses Raleigh and Pogue.

The Eagle Goes to Press Early Each Friday Morning

Entered as second-class matter August 28, 1907, at the Postoffice at Whitesburg, Kentucky, under the Act of Congress of August 9, 1873.

EDITORIALLY

At this writing we have not had full reports as to the free road-working scheduled for last Friday and Saturday, but what reports we have say that hundreds, perhaps thousands, put in good work on the roads in various sections. It was a mere start, of course, in the right direction and if kept up will lead to great good. Say a month from now we all dedicate another day and double the amount of good done. Leaders in such movements are wanted. Let us have suggestions from any and all. Who will lead the workers in your neighborhood? As many as possible get together before the time set and agree on someone to lead and then follow him. What do you say? The Eagle will do the boosting and advertising free.

It thundered about the middle of February. In three months from that time (about the middle of May) we are due to have some chilly weather, perhaps frost right now. Experience teaches a good school and fools, it is said, will learn in no other. For forty years or more we have watched these February thunders and we have seldom, if ever, failed to have a cold snap in three months from the time. Why the cold spell? Well, that is for you to figure out. We know why, but we dare to tell all we know, if we did we'd have nothing new to tell tomorrow or next week.

EATS ANYTHING JUST ANY TIME AND FEELS FINE

Mrs. Dora Fulton Declares
She Was Hardly Able To
Dress Herself Before Tak-
ing Tanlac, But Is Now
Well And Strong.

Mrs. Dora Fulton, 2787 W. Sixth St. Cincinnati, Ohio., has added her testimony to the thousands who have been benefited by Tanlac. She said: "I was so run down I just felt good for nothing all the time. I had no appetite to speak of and the little I did eat upset me so that I was in misery for hours. My food formed gas that bloated me until I could hardly breathe. I was constipated and had dull, mean headaches. I couldn't sleep nights and often would wake up with a jump. I could scarcely dress myself, much less do any housework. "Well, Tanlac did me so much good I think I can eat anything, any time. My sleep is sound and restful, I can easily do my housework and I feel fine all the time. I just think Tanlac is the best medicine in the world." Tanlac is sold by all good druggists.

Checks for 2,250 Confederate pensioners amounting to practically \$79,000, were mailed by Capt. W. J. Stone on last Saturday. Thirty-one new names have been added to the list in the past three months, mostly widows of former Confederate soldiers.

Sums That Have Been Appropriated To Various Objects Set Forth By Headquarters Office At Nashville, Tenn.

Dr. E. Gill, Baptist Representative in Europe, on left, and P. V. Pavloff, of All Russian Baptist Union, on right.

From the beginning of the Baptist 75 Million Campaign to January, 1922, a total of \$30,356,319.41 had been paid in to objects fostered by the Campaign, it is announced by the general headquarters office at Nashville. Of this amount \$28,799,971.15 came in through the payment of regular Campaign subscriptions and the remaining \$1,556,348.26 in special contributions. Regular receipts from the various states follow: Ala., \$1,301,134.76; Ark., \$714,683.09; D. of C., \$123,280.01; Fla., \$469,753.53; Ga., \$3,000,174.10; Ill., \$298,576.13; Ky., \$3,187,656.15; La., \$307,991.13; Md., \$393,517.46; Miss., \$1,243,846.50; Mo., \$1,190,754.70; N. M., \$145,229.97; N. C., \$2,211,741.50; Okla., \$340,562.65; S. C., \$2,632,840.53; Tenn., \$1,797,483.10; Tex., \$5,162,558.56; Va., \$3,279,085. More than 250,000 baptisms were reported by Southern Baptist churches last year.

How Money Was Distributed Seven general objects of the denomination were embraced in the Campaign program, and from the regular Campaign contributions these objects have received the following amounts, according to a compilation by the headquarters office: Foreign missions, \$5,424,012.53; home missions, \$3,562,600.67; state missions in the seventeen states and local work in the District of Columbia, \$4,954,813.26; Christian education, \$7,192,442.79; Baptist hospitals, \$2,004,099.16; orphanages, \$2,103,787.33; and Relief and Annuity Board, which ministers to aged dependent ministers and their families, \$799,126.99.

What Money Has Done These funds represent an advance, ranging from 200 to 300 per cent, in the contributions of Southern Baptists to their general missionary, educational and benevolent work, prior to the inauguration of the Campaign, and have enabled the boards and other agencies to greatly extend their services in all departments. In addition to sending out more than 180 new missionaries since the Campaign began, and providing many church buildings, mission residences, schools, theological seminaries, publishing houses, hospitals and the like on the older fields the Foreign Mission Board has been enabled to open work in the new fields of Spain, Jugoslavia, Hungary, Roumania and Southern Russia in Europe, and Palestine, Syria and Siberia in Asia, and Dr. Everett Gill.

An Old, Old Story Retold

A soldier was once arrested for using a pack of playing cards as a Bible in church. His defence was as follows:

"These cards are both my Bible and prayer book. The ace reminds me that there is only one God. The deuce that the Bible is divided into two parts—New and Old Testaments. The trey brings to mind the Holy Trinity—Father, Son and Holy Ghost. The four spot recalls the four great apostles—Mathew, Mark, Luke and John. The five spot brings to mind the five wise virgins, who had their lamps trimmed and ready. The six spot God created heaven and earth in six days and rested on the seventh. The seven commands me that the Sabbath is a day for rest and worship. The eight spot recalls the righteous persons, namely, Noah, his wife and three sons and their wives, who were saved from the flood by being allowed to enter the ark. The nine spot represents the nine lepers cleansed by the savior, who returned thanks. Each of the spots on the ten reminds me of the ten commandments. "The knave teaches me to shun the devil and all his works. The Queen reminds me of Mary, the mother of Jesus, to whom all should homage, and the king reminds me of the King of Heaven and Earth to whom all should bow in worship.

"Furthermore, this pack of cards is my almanac. Its number of spots is 365—the number of days in the year. There are 52 cards in the pack—the number of weeks in the year. There are four suits, representing the four seasons—spring, summer, autumn and winter—and each season is divided into 13 weeks, the number of cards in each suit.

MILEAGE

Mileage is the "commodity" one purchases when buying a tire; not mere materials, but the service that certain materials will perform when combined.

Greater mileage is assured in Hydro-Toron tires because processes and principles employed represent the industry's greatest forward steps. The Internal Hydraulic Expansion Process prevents defects from being built into the tire—concealed from sight.

The Toron (no-rot) chemical treatment of fabric gives greater tensile strength, greater holding power between layers, increased affinity for rubber and complete protection against the damaging effects of moisture.

Hydro-Toron tires are oversize—as big as cords, better than cords. Next time you are ready to buy tires, come in and let us show you the tire you have heard so much about.

Big Four Coal Company, Plaintiff,
v. (NOTICE)
J. C. Burton, W. E. Brown, Sr., and
Eli Ison, Sr., Defendants.

By virtue of a judgment and order of sale of the Letcher Circuit Court, rendered at the April term thereof, 1922, in the above cause, I shall proceed to offer for sale, at the court house door in Whitesburg, Kentucky, to the highest and best bidder, at public auction on Monday, the 5th day of June, 1922, between the hours of 11 A. M. and 2 P. M. (being county court day), upon a credit of six months, the following described property, to-wit:

The lease, and all the property, rights, privileges and interests sold, assigned and transferred to the said J. C. Burton by the plaintiff, Big Four Coal Company, by a written agreement, dated the 26th day of September, 1921, of which contract the following is a copy:

"This agreement made and entered into this 26th day of September, 1921, by and between the Big Four Coal Company, a corporation, organized and existing under and by virtue of the laws of the State of Kentucky, party of the first part, and J. C. Burton, party of the second part, WITNESSETH:

"That for and in consideration of the sum of twenty-three thousand dollars (\$23,000.00) evidenced by five promissory notes of even date herewith, three of which are for five thousand dollars each, and payable within one, three and six months respectively, with interest at the rate of 6% per annum from date until paid, and two notes for \$4,000.00 each due and payable in twelve and eighteen months, respectively, with interest at the rate of 6% per annum from date until paid, the receipt of all of which is hereby acknowledged, the party of the first part does hereby sell, assign, transfer and set over to the party of the second part a certain contract and agreement of lease, bearing date the 18th day of October, 1920, executed and delivered by the said J. C. Burton to G. C. Criswell and E. F. White, and by them assigned to the Big Four Coal Company, party of the first part herein by written assignment dated the 25th day of January, 1921, and recorded in contract book No. 3, at page 190, Letcher County Court Clerk's Office; the said contract and agreement of lease from the Caudill Coal Company to G. C. Criswell and E. F. White, being recorded in Contract Book No. 3, at page 180, Letcher County Court Clerk's Office; as well as the estate, right, claim and interest of the party of the first part in and to the said lease and leasehold premises.

"Said contract and agreement of lease between the Caudill Coal Company and G. C. Criswell and E. F. White, and the assignment by the said G. C. Criswell and E. F. White to the Big Four Coal Company, party of the first part herein, are here referred to and made a part hereof as fully and completely as if copied and set out herein.

"Being the same property that was leased by W. G. Caudill to the Moss Coal Mining Company by lease dated the 18th day of May, 1917, and recorded in Deed Book No. 53, at page 415, Letcher County Court Clerk's Office, which contract was assigned by the Moss Coal Mining Company to the Caudill Coal Company by contract dated July the 14th, 1917, and recorded in contract book No. 2, at page 300, Letcher County Court Clerk's Office; also a subsequent lease from W. "A lien is retained on the property herein described to secure the payment of the purchase money notes aforesaid.

"It is understood and agreed that all coal mined and shipped from said premises within thirty days from date of this contract shall be shipped in the name of and sold by the Big Four Coal Company party of the first part herein and the proceeds of the sale of all said coal shall be applied to the payment of the first (\$5,000.00) Five Thousand Dollar note, due thirty days from date, herein mentioned.

"It is further agreed that if the party of the second part should default in the payment of any of said purchase money notes within twenty days after they shall have become due, all of said notes shall immediately become due and payable and then, in that event, this agreement shall be null and void, forfeited and of no effect, and the first party may reenter and repossess said premises without notice and without any processes as required by law.

"It is further agreed that if any dispute should arise as to the payment of the purchase money notes provided by the contract between the Caudill Coal Company and G. C. Criswell and E. F. White, of date October 18th, 1920, and the party of the second part should be prevented from paying the royalty as provided therein, then, in that event, said royalty as therein provided shall be paid to Stephen Combs, Jr., as Trustee for Caudill Coal Company or W. G. Caudill, the original lessor, who shall execute bond for the faithful performance of his duties as said trustee and for the payment to the proper parties of such fund as may come into his hands as trustee. Said Trustee shall hold such funds as may be paid to him subject to the orders of the court or the agreement of the parties relative thereto.

"The party of the second part agrees that if the note for \$4,000.00 due from date, should not be paid at maturity, that he will give to the parties of the first part such additional security, or such additional personal endorsement thereon, or such additional collateral security as will enable the party of the first part to discount same at the bank or to make acceptable to the bank.

"The said first party hereby covenants and agrees that he shall have the right to assign said lease and that the interest hereby assigned is free and clear from all encumbrances, and that the Caudill Coal Company has been notified of this assignment, and has been offered said property and holdings at the same figure, as provided in the contract between the Caudill Coal Company and G. C. Criswell and E. F. White, and has refused same by letter dated - day of September, 1921, which is here referred to as part hereof.

"In consideration of said assignment

the party of the second part hereby assumes and agrees to pay all rents and royalties due and to keep and perform all covenants, agreements and conditions of said lease on the part of the Big Four Coal Company, party of the first part herein, to be kept and performed.

"To have and to hold the said property unto the party of the second part, his heirs and assigns, free from all encumbrances during the remainder of the time of said lease herebefore mentioned, subject to all the conditions, covenants, rents and royalties therein contained.

"In witness whereof the said party of the first part has executed this contract, assigned by E. F. White, as President and attested by M. D. Criswell its secretary, and caused its seal to be hereunto affixed, the day and year aforesaid.
